

## **Clarification regarding Provisional merit list**

Candidates are requested to understand that this is the **PROVISIONAL MERIT LIST (FOR HONOURS ONLY)** being published on 06.09.2020. In this list every complete application form which got verified has been reflected or enlisted. All incomplete application forms have been cancelled and thus will not be enlisted in Provisional as well as in merit lists. Candidates can see their positions or ranking in different subjects within the provisional merit list but mere enlistment of candidates' names doesn't guarantee their admission. Admission will be taken according to subject wise and category wise publication of merit lists. Kindly regularly follow the detail schedule in the website to stay updated about the publication of different merit lists.
